"I'm helping strengthen Minnesota's business community by providing the resources and answers they need."
-Jillian Kayrit
Business specialist

"Jillian has connected me to valuable training information and provided great ideas for marketing my business."
-Mark Maglier
Owner, Maglier Mechanical

Welcome to Network. The place for businesses to find answers. Today more than ever, businesses face unique challenges. That's where Net:Work can help.

You'll work with your own Net:Work Business Specialist who will provide valuable information for business and your marketplace. They can connect you to the resources and services you need. The bottom line? Net:Work can help reduce the costs of finding data and information, connect you with valuable business resources and services, and, ultimately, help your business develop and prosper. In today's environment, it pays to have the right connections.
